Dear Pasadena Music Teachers:

These are uncertain times. We are in our third month of lockdown, and even though some businesses are slowing re-opening, I hope that you are practicing safety.

MTAC State Office is going through lots of changes. For teachers participating in CM, emails have been sent to you periodically about the CM evaluations being done online. Do read your email faithfully, so that you will be up to date and not miss any deadlines.

We don't know what the future of our Branch music programs are going to be like, but there will be updates from the Pasadena Branch Programs Chairpersons.

The new music year starts on August 1, 2020. To remain as a MTAC member and to be able to participate in CM 2021, annual dues must be remitted by 11.59 pm, July 31, 2020. Log in to your teacher portal to renew. Check with State Office to see if personal checks are accepted.

The Annual MTAC Convention will be online this year and the dates are July 10-14, 2020. Registration is free to all MTAC members. Convention recitals for students are cancelled. However, State programs like YAG, Concerto/Solo, VOCE, Composers Guild and Composers Today will be broadcasted virtually. Again, read your email.

As the 2018-2020 Board of Directors step down from our responsibilities, we want to wish the new incoming Board all the best as they serve the Pasadena Branch. A HUGE thank you to all Pasadena members for your support and dedication to this awesome Branch, of which I have been a member for 42 years.

Yours sincerely,
Winna Tan, President

HAVE A GREAT SUMMER!
