#### \*\*\*\*\* Category explanation \*\*\*\*\*

1. The goal of this festival structure is to invite as many students as would like to participate. This program is an excellent performance opportunity to complement their music study.
2. The categories are determined **by age**, not by CM level.
3. Festival Chair reserves the right to verify all applicants to ensure correct category placement. If in doubt, please email Yvonne Chen at [yvonnespianostudio@gmail.com](mailto:yvonnespianostudio@gmail.com) before your student begins learning the piece. Festival Chair has the authority to deny the piece if it is not according to the theme. When the application is received and the piece is not appropriate, it might be too late for the student to learn a new work.
