Certificate of Merit Updates

Pasadena CM students have between June 11 – 21, 2020 11:59 pm. to upload their CM video recording requirements to the Acceptd platform.

MTAC State/State CM Council will send email on June 11 with information how to create an Acceptd account and upload instructions and links.

IMPORTANT!!!!!! When students are video-recording the CM requirements, remember to wear **performance clothes and shoes!** We all want to represent our Branch and teachers well.

Students that still need to take the Theory Test must have a compatible device and internet access. It is the family's responsibility to make sure student has these required things. All Theory Tests must be completed online by June 30. MTAC will announce opening of Theory Test portal in email in early June.

Final CM results will be available sometime in mid-July on the teacher mtac portal.

For more information, look to the MTAC April 30 and May 18 emails and emails to come from both MTAC and from Pasadena CM Branch Chair. The finish line is in sight! Your hard work at encouraging your students to finish well and strong is to be commended. This CM season's experience has taught all of us how to be creative in our teaching, to not give up on our (for both teachers and students) learning process, and to keep the joy of music alive and well.
